welcome

to Principles of Ed

Students will explore various careers available within the Education and Training Career Cluster. By using self-knowledge as it relates to educational and career information, students will analyze various careers within the Education and Training Career Cluster and develop a graduation plan that leads to a specific career choice in the student's interest area.

You must ask permission to use cellphones in class.

You are allowed to listen to music with headphones only during "student work time". You are not allowed to listen during presentations, demos, or any group instruction time.

To get your attention I will use the cue of turning off the lights briefly so that you will know to remove your headphones and listen.

Misuse of cellphones will result in loss of privilege.

### Make-up Work and Retake Policies

- It is important to be in class every day. Explanations that take place during class cannot be made up easily.
- Makeups must be done outside of class time. You can not redo daily assignments, only major grades.
- Use the website to keep up with assignments. All make-up assignments are due no later than 2 days after you return to school. Please discuss with me if there are extenuating circumstances!
- You have 7 days to make-up a test, after that it becomes an essay test.

Need Help:

- Monday thru Thursday 8:00 – 9:00am
- After school by appointment

## commonly asked questions

*How often will I have homework?*

Due to block scheduling, you will have class time to complete most homework during class time. If you do not use this time wisely, then it will become homework. Homework is due by the next class period and is to be turned into your class tray.

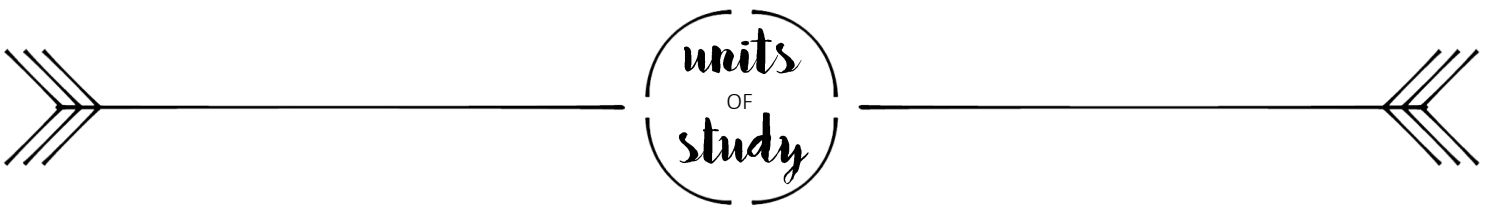

*Do I lose points for late work?*

Students can turn in late work for partial credit if it is during the grading period. Work that is turned in after the grading period will not be given any credit. 10 points deducted for everyday late, on daily work. Lowest daily grade is dropped each six weeks.
